

Montana Professional Engineers Hall of Fame

John Haddow Morrison, Jr., P.E., L.S.

Montana Professional License Number 736ES (1960)

- * Montana State University, B.S., Civil Engineering, 1955.
Montana State University, PhD (Honorary Doctorate in Engineering), 1997.
Company Commander, 34th and 35th U.S. Army Combat Engineer Battalions.
- * Known for developing and applying practical and appropriate solutions to complex engineering problems from structures to transportation infrastructure to airport design.
- * Son of John H. Morrison, Sr. who founded Morrison-Maierle in 1945. Began his surveying career at age 13 while assisting his father and business partner, Joe Maierle.
- * Served as Morrison-Maierle's President and CEO from 1973-1988 and then Chairman of the company's Board of Directors.
- * Active member of American Society of Civil Engineers, Montana President, 1970; Helena Chapter President of the National Society of Professional Engineers; Secretary, Vice President and President of American Consulting Engineers Council, Montana Council, 1986-87; Member of the American Association of Airport Executives, and the American Public Works Association.
- * Received the Outstanding Young Engineer Award from the National Society of Professional Engineers, 1965.
- * Member and Chairman of the Montana State University Foundation, 1992-94; honorary member of Chi Epsilon, 1981; and a true MSU Bobcat at heart.
- * Expanded Morrison-Maierle's engineering expertise throughout the world as he led project management work for USAID in Vietnam, Zaire, Mauritania, Tanzania, Lesotho, Egypt, and the Philippines where he designed roads, highways, and other transportation infrastructure projects.
- * Devoted countless hours to civic organizations such as the Montana World Trade Center, Helena Chamber of Commerce, Helena YMCA, Helena Optimist Club, and the Masonic Order.
- * A true engineer and keen problem-solver; he is an exemplary model of the values Morrison-Maierle holds true to this day: integrity, commitment, respect and excellence.

Inducted November 6, 2019

Presented by the Montana Society of Engineers
A state society of the National Society of Professional Engineers
